

4th International Symposium on the Frontiers of Biotechnology and Bioengineering

Hong Kong, China, October 14-15, 2023.

NOTIFICATION OF ACCEPTANCE

Dear Author(s):

On behalf of the 4th International Symposium on the Frontiers of Biotechnology and Bioengineering (FBB 2023), we're glad to inform you that your paper:

Paper ID: FBB 2145

Paper Title: Blood Lipids and Cardiovascular Disease: A Mendelian Randomization Study

Author(s): Jingran Wang

has been Accepted!

FBB 2023 aims to bring researchers, engineers and students to the areas of frontiers of biotechnology and bioengineering and will provide an international forum for sharing the most advanced research results, experiences and original research contributions on related topics.

All accepted papers of FBB 2023 will be published in Transactions on Materials, Biotechnology and Life Sciences (TMBLS) ISSN: 2960-1932, which will be submitted for indexing in CPCI (ISTP), Google Scholar and CNKI.
